

K-LOVE radio serves me as a resident in this local community.
The effect on this community, if K-LOVE were displaced by an LPFM
broadcaster providing other programming, would be terrible.
The service provided by K-LOVE is of very high importance to us in
Virginia Beach because there are few other stations so family friendly. There
is no need for a 5-7 second delay with K-LOVE
and you can't say that often enough these days. Please leave K-LOVE
on its current broadcaster. Thank you.
